2018 Autumn Celebration

“Stories of Faith, Love and Courage” (Rev. Dr. Joyce Chan)

The **Mid-Autumn Festival**, also known as Chinese Moon Festival, is a festival celebrated notably by ethnic Chinese. The festival is held on the 15th day of the 8th month of the lunar calendar with full moon at night, corresponding to late September to early October of the Gregorian calendar with a full moon at night. Mid-Autumn Festival is the **second most important festival** in China after Chinese New Year. To the Chinese, the festival means family reunion and harmony. It is celebrated when the moon is full, and Chinese people believe a full moon is a symbol of reunion, harmony, and happiness. Mooncake is the food of the festival. Solving riddles is a famous game for the celebration. This year Mid-Autumn Festival falls on September 24. **Trinity is celebrating Mid-Autumn Festival on September 23, Sunday.** We are going to have lanterns hanging in the gym. A riddle is attached to each lantern. If you can solve the riddle, take the riddle down and take it to the Information Center table to exchange for a chocolate. If you solve three riddles, you win a big gift. Come celebrate and have fun during coffee time after each service on September 23.
