MISSIONS HIGHLIGHT

The Nachos In Costa Rica

As Global Field Staff the Nachos serve in the area of leadership formation and theological education in Latin America. Their ministry out of Costa Rica has local, regional and global impact through Center for Interdisciplinary Theological Studies (CETI), a learning community of students, faculty and administrators. Master's, certificate and open course programs are used to strengthen the capacity of local churches, leaders, pastors and professionals.

PRAYER ITEMS:

Please say a prayer of thanks as David had the opportunity to meet with pastors and supporters during his recent visit to Canada.

Pray for CETI and David (now Academic Dean of the Certificate Program) as many of the staff take on new roles – that the transition will go well.

Please pray for David and a busy schedule of travel over the next few months.

Pray also for Suzannah as she begins teaching an online spirituality course in September.

An Adult Bible class meets in the Lounge at 9:30 AM on Sunday mornings. The class will conclude its study of the book of **Daniel** and commence a study of the **Gospel of John** on **Sunday, Nov. 17th**.
